

Members Report NDQSA Board of Directors Meeting August 19, 2026

A regular teleconference board of directors (BOD) meeting was held on 19 Aug 26.

The association remains financially strong.

This board meeting was called primarily to work last minute issues and coordination requirements for the reunion. The 43rd annual reunion will be held in Louisville, Kentucky, September 30th to October 4th, 2026.

Reunion reservations are still fewer than in past years, but there is still time to sign up. Hotel flyers and reunion registration forms are in both of the 2026 newsletters and posted on the website at the top of this page.

Bruce Geiger reported that he printed and mailed all fifty NDQSA newsletters since 2008 to the Vietnam Center and Archives at Texas Tech University. Rather than accepting digital files that risk low resolution or corruption, archivists at Texas Tech University require physical paper originals to create their own certified digital masters. They permanently preserve the physical paper to protect its long-term integrity, while performing high-resolution scanning and adding searchable metadata for public access. This rigorous process ensures our NDQSA historical materials remain reliable and accessible for future generations.
