Members Report NDQSA Board of Directors Meeting September 30, 2026

A regular in-person board of directors (BOD) meeting was held on 30 Sep 26 at the Holiday Inn Louisville East Hotel, Louisville, Kentucky.

The association is financially strong. We continue to carry about $90,000 in operating funds. The Memorial Trust currently has a market value of $62,000.

Brigadier General Marc E. Pelini, Commandant of the Air Defense Artillery School, Chief of the ADA Branch, and Deputy Commanding General of the Fires Center of Excellence and Fort Sill, was designated an Honorary Member of NDQSA.

A location for next year's reunion has not yet been finalized. Finding a hotel that is both affordable and accommodating to our special requirements has become significantly more difficult post-COVID. Work continues and the membership will be notified as soon as possible.

As fewer active regular members are able to travel to the annual reunion, NDQSA faces an increasing risk that a future annual general membership meeting will not achieve the quorum required to conduct business. Indiana non-profit law is very specific in protecting absent members: "Unless at least one-third (1/3) of the voting power is present in person or by proxy, the only matters that may be voted upon at an annual or a regular meeting of members are those matters that are described in the meeting notice." A special committee will be established to identify recommended Bylaws amendments and reasonable, simple solutions to guide future meetings, protect active members' rights, and ensure success until we ultimately have to shut down as a non-profit veteran association.
